

First Parish in Needham Annual Budget Drive 2018-19

First Parish is a vibrant community that offers amazing and dedicated staff, myriad educational and service opportunities for all ages, glorious music, and worship in our beautiful historic meetinghouse. First Parish is also an anchor for our beliefs and values in a tumultuous world, and we are welcoming newcomers at a fast pace.

With your generous support, we can sustain our values and fuel our growth together.

Please complete the information below, and indicate a pledge amount that feels right for you. Keep in mind the average pledge last year was about \$2,500, but pledges vary across a wide range, and all financial commitments are gratefully received. If you are unsure how much to pledge, please contact one of the Budget Drive committee members - we would be happy to talk with you.

We will be collecting pledge forms at social hour through Sunday, March 11. You can also return this form to the Church office or pledge online at uuneedham.org. Sign in and click on the "Giving" tab.
